YEE HONG

Centre for Geriatric Care

Community Wellness Foundation

*One of the largest charities in Canada's Chinese community
serving people of different ethnic backgrounds*

Founded in 1987, Yee Hong Community Wellness Foundation established Yee Hong Centre for Geriatric Care in the early 1990s and has been raising funds for the Centre's development and operation for over three decades.

Since the official opening of its first nursing home in 1994, Yee Hong Centre has offered an expansive continuum of care to seniors of different ethnic backgrounds, including Chinese, South Asian, Japanese and Vietnamese.

As one of the largest not-for-profit providers of geriatric care in Canada, Yee Hong currently operates four long-term care homes with 805 beds and a hospice residence in the Greater Toronto Area. Along with various outreach programs and housing services, over 15,000 seniors and families are supported by Yee Hong's care every year.

*New nursing home
to open its doors
next year*

HELP ADDRESS SENIORS' URGENT NEEDS

Canada's fast-aging population now includes nearly 8 million seniors over the age of 65. As a provider of choice for geriatric care services, the four Yee Hong long-term care homes face a current waitlist of over 9,000 people, with wait times as long as 10 years. Yee Hong is committed to addressing this urgent need by increasing capacity and timely access to care.

Thanks to the generosity of our donors, the new 224-bed Yee Hong Ng Siu Chan Centre is expected to open its doors in 2026, on time and on budget. This expansion will significantly enhance Yee Hong's ability to provide high-quality, culturally appropriate care in a place seniors can truly call home.

Your sponsorship will help raise crucial funds to support Yee Hong's services and ongoing development – creating a brighter future for our seniors. **Join us in making Dragon Ball 2026 a memorable night of celebration, generosity, and impact.**

THANK YOU!
